VybCall Service Notes

1. VybCall is a video ringback tone service that allows callers to view short video content while waiting for a call to be answered. No data charges apply during video playback in the call waiting period.
2. For the best service experience, please ensure that the device and network environment support the VybCall service.
3. Upon successful subscription, the service will be activated on the subscribed mobile number.
4. Each subscribed VybCall content item is charged and renewed daily until unsubscribed.
5. You may cancel the service at any time through the link below: <https://vybcall.safaricom.com/user/#/>
